

# BLUE PRINT

Dear readers,

I hope you are enjoying the lovely weather whilst it lasts. In case you have missed it on our social media posts and did not see us at the County Show, the lovely chaps from Collingham Fire Station and myself have been visiting farm owners on our patch to talk about safety around storing of arable and to offer crime prevention advice. If you have not had a visit from us yet you can expect us on your doorstep very soon.

We have also had success with Operation Jericho this month which targets the illegal use of off road bikes and if you havent been made aware we have now acquired a quad bike to assist us in this so please do not be alarmed if you see PC Nicholls out and about on it.

We are currently making changes to our team and the way in which we work so that we can provide you all with a better service, this will include in the very near future us heading out with our speed gun to various villages, we will be doing patrols around the schools to target inconsiderate parking and we will be holding beat surgeries in various villages on a regular basis. We are very excited about these changes and hope they will be well received.

If you would like to follow us on facebook to keep up to date with what we are up to our page is – [Newark Police: Rural Villages](#)

This is a great way for you to find out what we are doing in the villages and also if any crimes have occurred.

You can also send us messages and contact us through this page however if a crime has occurred or is being committed please dial 101 or 999.

If you would like to receive free text alerts to your mobile phone regarding issues affecting your area, including information about recent incidents and advice to help you avoid becoming a victim of crime you can find information on the Nottinghamshire Police website.

If you would like to talk to me regarding any issues you are having in the area you can contact me on 07894617567

or you can email me at

[katherine.hyde4885@nottinghamshire.pnn.police.uk](mailto:katherine.hyde4885@nottinghamshire.pnn.police.uk).

Thank you, PCSO Katie Hyde
