

Dear All,

Very sadly we have taken the decision to cancel the Harvest Festival Service that was to have been in the church on Sunday at 5pm. We had not advertised it this year with things being so up and down, and now that we are under tighter restrictions, very sadly we feel that for all to keep safe it will be wise not to gather together this year. This will be the first time maybe for 100s' of years that the harvest festival has not been celebrated in Holme Church. In an attempt to try and make up for it, we will be recording a service from the Barton Chapel with just Mandy and a few people present and this will be sent out on Youtube for all to see. I'll send you the link as soon as this is available.

Kind regards, Nigel Priestley and Doreen Hallam.
