

St Giles Church Holme

We welcome you to this wonderful church building which has been a place of worship here for over 800 years and has endured many storms, floods and pandemics. Unfortunately, it is not yet open to visitors but as things ease further, we hope that we will be able to return to our policy of being unlocked and accessible to all during each day. The churchyard is fully open to visitors and we are very grateful to Simon and those who have maintained the grounds so well during these challenging times.

Even though public worship cannot take place here at this time, regular services are being conducted by Revd Mandy Cartwright around the churches including Holme and are available for all as YouTube videos on the East Trent Churches website

We are pleased to announce that the latest easing of the lockdown now allows us to open the church for periods of reflection and private prayer. These times can be found on this notice board, on the website above and also on the Holme village website:
