

To all Holme Residents

TELEPHONE BOX CLEANING ROTA 2023

Just a reminder to everyone... the telephone box belongs to the village. We want it to look good, a landmark which is distinctive but also something which is special. In order to ensure that it gets the attention needed, we rely on volunteers to commit to being on an annual cleaning rota. Just once every 2 months it gets that tender loving care it needs, which sets it apart from many others.

The rota for 2023 is below but we are always keen to hear from new volunteers.

With thanks and appreciation to all volunteers.

**Patricia Richards
